Inside of card

Instructions:

1. Fold the Pool Party cardstock in half to create the card base.
2. Run the front of the card through the Big Shot with the Decorative Dots Embossing Folder.
3. Cut a square opening in the front of the card using the Squares Collection Framelits Dies – the opening should be 2 7/8" square.
4. Stamp the coral image on the square Whisper White in Calypso Coral ink.
5. Sponge the piece with Pool Party and Crumb Cake ink to create water/sand.
6. Stamp the fish image in Island Indigo on the scrap of Whisper White and cut out.
7. Cut the word ALOHA out of the 5" x 2" pieces of Lost Lagoon & Pool Party with the Little Letters Thinlits Die. Mount the letters on the front of the card, slightly offsetting the Pool Party as shown.
8. Score the 6" x 4 3/4" Whisper White at 2" and 4" and accordion fold. Glue the back panel to the inside of the card on the right side – the other piece swings free.
9. Glue the stamped piece to the Calypso Coral square and glue to the front 2" panel of the Whisper White lining it up so it fits in the square opening on the front of the card as shown. 1/2 of the square piece will extend over the edge of the Whisper White front panel.
10. Glue the fish to the front of the card.
11. Cut out the word ALOHA from the Calypso Coral strip with the Little Letters Thinlits Die and glue to the inside panel.
