Instructions

1. Score Whisper White Thick CS base at 4 ¼" and fold to create card base.
2. Using snail adhesive, adhere Halloween Night DSP to top and bottom of Tangerine Tango layer, leaving a 1/8" showing as per sample. Adhere Basic Gray layer over top to slightly cover the DSP.
3. Die cut window from Basic Black CS. Turn window over, add some snail adhesive on the back sides, carefully place the brick DSP then the Haunted House DSP on the window frame (make sure it is right side up!). Position and adhere to background layer with snail or glue dots.
4. Stamp skeleton with Whisper White Craft Ink on Basic Gray CS piece, add White Emboss Powder and heat set. Stamp mummy with Basic Gray Archival Ink on other Basic Gray CS piece, add Clear Emboss Powder and heat set. Rub over mummy image with sponge and some Basic Gray Ink to make it look slightly grungy. Punch out both images with Cookie Cutter Builder Punch. Tuck skeleton slightly behind window and adhere with snail; and pop mummy with a Dimensional.
5. Punch mini heart shape and bow tie from scraps of Tangerine Tango CS and adhere to skeleton and mummy with glue dots. Brush heart and bow tie with Wink of Stella.
6. Stamp "Happy Halloween" with Memento Tuxedo Black Ink on Tangerine Tango scrap, punch with Classic Label Punch. Tip: Insert each end into side of punch to flag ends. Adhere to card layer with Dimensional cut in half.
7. Adhere finished layers to card base with Dimensionals. Add 3 Halloween Enamel Dots to card front.
8. Done 😊
