Instructions

1. Stamp the woman image, with Basic Black ink, on the upper right of the thick Whisper White cardstock.
2. Stamp the umbrella image on the small scrap of Designer Series Paper.
3. Stamp the saying, with Bermuda Bay ink, on the left hand side of the cardstock.
4. Cut out the umbrella image from the Designer Series paper using the Paper Snips scissors.
5. Make sure the image of the woman is dry before starting to colour. Colour the image with blender pens and the ink pads. Colour her skin with the Pink Pirouette ink (be sure to scribble out most of the ink so that is a very light skin tone). Colour her hair and the earth with the Crumb Cake ink. Colour her dress with the Mint Macaron ink.
6. Attach the cut out umbrella to the coloured image, using SNAIL adhesive.
7. Attach the larger piece of Designer Paper to the white cardstock using SNAIL adhesive.
8. Wrap about 6" of Macaron ribbon around the front of the white cardstock just above the Designer Paper. Secure the ribbon at the back of the white piece, with SNAIL adhesive.
9. Wrap about 16" of Linen thread around the white card over top of the Macaron ribbon and tie it in a bow at the front.
10. Secure the linen thread bow with a glue dot.
11. Attach the white panel to the folded Crumb Cake card front.
